Grants are made only to non-profit organizations that have tax-exempt status as defined by the Internal Revenue Service and that are situated in Tioga County, New York. Grants may be made to other qualified organizations when it is clear that a substantial direct benefit will accrue to residents of Tioga County and specifically the Owego, New York area.

Grants to municipal and public organizations with specific and defined projects may be awarded provided such projects are well conceived and do not directly replace tax money or other public money.

Please discuss your organization's proposal with the Executive Director prior to submitting a completed application. Applicants will be informed of specific time lines upon initial contact with the Executive Director. Completed applications can be mailed to the address on this brochure, deposited in the drop box located in the basement lobby of M&T Bank, corner of Front and Church Streets, Owego, NY, during normal banking hours, or submitted online.
